Dear Examiner Bertagna:

As an addendum to the Information Disclosure Statement letter filed August 22, 2008 (copy attached), Applicants wish to clarify and correct certain typographical errors that were inadvertently included in that letter. In particular, Applicants incorrectly referred to control number 90/010,209 as a "re-issue of US patent # 7,217,510" and control number 90/010,210 as a "re-issue of US patent # 7,108,974". In fact, those control numbers refer to reexamination proceedings involving the corresponding U.S. patents. Applicants apologize for any confusion that these errors may have caused. If further clarification is required, please contact the undersigned at 760-603-3560.

The Commissioner is hereby authorized to charge Deposit Account No. 504191 referencing case number DIBIS-0002US.P3, if any fee is due.

Respectfully submitted,
